What If A Person Can't Let Go Of The Negative Emotion or Sin

- 1) Remind them, "You had said that you wanted to be free."
 - a) Let's declare it, "Lord, I want to be free!"

- 2) If it's too big or deep or too much
 - a) Ask the Lord for Help to give it to Him
 - i) "Lord, would you help me?"
 - ii) "Lord, I want to be free!"
 - iii) "Lord, with your help, I choose today to give this anger (disappointment, fear, sadness, hate, etc.) to you."
 - b) Ask them,
 - i) "What do you think would happen if you let go of that (Negative Emotion)?"
 - ii) If what they share with you is something negative, then ask the Lord "Lord, is this true? If they let go of this negative emotion, what will happen?"
 - c) If they have multiple negative emotions towards one person
 - i) If they hate and have fear towards their father, you may need to break that into two releases. One for the hate and the other for the fear.
 - d) if you have combined fears or sins, you may have to break them into smaller pieces
 - i) Determine which fear or sin they can't let go by asking them which fear or sin they still feel. Release the other fears or sins, then determine when that particular fear or sin took place, and renounce that event along with the fear or sin.

- 3) If a person suppresses his emotion,
 - a) If they can feel, but quickly shut down their emotions and start to rationalize
 - i) Tell them that they have a tendency to rationalize
 - ii) Ask them to feel the emotion just before they start to rationalize
 - iii) Once they can feel it, you will be able to renounce it
 - b) If they completely shut down their emotions, then this will be your most difficult case. **You must be willing to work with them for several weeks if they are able to feel again.**
 - i) ***Warn them that if they feel again, they could go thru several weeks of negative feelings (possibly feeling worse at times) even after they get some release today, but that you or someone will be available to work with them.***
 - ii) To turn on their feelings again, simply say, "Lord, forgive me. I choose to feel again."
 - iii) Have them turn it on it their mind.
 - (a) If they are able to do so, then proceed with the renunciation.
 - (b) If not, you can try again. But if they are still not able to. Then celebrate any little victories and pray a closing prayer of blessings for them.

Note: Don't force a person to do something they are not ready to do or if they don't want to do

- 4) Check to see if there's a 'Sin that's tied to the negative emotion (i.e. anger, hate, fear, etc.).
 - a) Check to see if there's any curse that they have said against that person (i.e. wishing they would die or be no more). If so, renounce the curse.
 - b) Check to see if there're any negative words from the other person that they have received as a curse in their heart. If so, renounce the curse.
 - c) Check to see if there's any guilt (ex. Guilt from abortion, so she can't let go of anger towards herself.). If so, renounce the guilt.
 - d) Check to see if they have any judgmental spirit towards that person they have negative emotions towards. If so, renounce the judgmental spirit.

- 5) If there are spiritual manifestations,
 - a) If there's a manifestation such as hitting, talking, excessive fear & shaking and you want them to stop,
 - i) Command "You must submit in the name of Jesus"
 - ii) Command them to do or stop doing that thing (i.e. Stop talking, hitting, etc)
 - iii) Can also ask the person to say, "Jesus Christ has come in the flesh"
 - b) If the person becomes unresponsive or trembling uncontrollably,
 - i) Talk to the person, "Mary! Jesus loves you. You mentioned you want to be free. Talk to me."
 - ii) If need be, command the spirit, "You must submit in the name of Jesus. Release Mary. Mary, talk to me."

- 6) If there's doubt
 - a) They are not sure whether they have let go of the negative emotion (ex. The box is still there)
 - i) Ask, "How do you feel to see that the box is still there?" If their response is that they feel the same, or no change, then this means that they did not let go of that negative emotion.
 - ii) Go to step 2a and Ask the Lord for help.
 - b) Ask them, "Why do you have doubt? Where did it come from?"
 - i) If they can identify the event, then renounce that event that caused the doubt.
 - ii) If not, then ask if they want to be freed from that doubt. If so, then pray "Lord, I renounce this doubt. I do believe. Help me overcome my disbelief!"

- 7) If they are not able to forgive themselves
 - a) Share with them, "Do you know that it's a sin because you are putting yourself ahead of God!"
 - b) "Are you willing to ask God to forgive you?"
 - c) "Lord, forgive me for putting myself ahead of you. Lord, I forgive myself today!"
